Wheels, wheels, wheels...

Wheels, wheels, wheels...

Wheels, wheels, wheels...

Wheels, wheels, wheels...

If you wanna get around you gotta get yourself some wheels!

Hopped on a wagon goin' down a hill  
Goin' so fast that you take a spill  
Pedal on a bike with a ten-speed shift  
Ridin' on a skateboard takin' a cliiiiiiiiiiff

Wheels, wheels, wheels...

Wheels, wheels, wheels...

Wheels, wheels, wheels...

Wheels, wheels, wheels...

If you wanna get around you gotta get yourself some wheels!

Ridin' on a unicycle, bicycle, tricycle  
Follow the leader on a blue two-seater  
Headin' fast down a dirtbike trail  
Build a courser with a board and a naaaaaill
